## LOAF CAKES

25

### **Sourdough Banana Walnut**

A healthier choice made with sourdough, wholewheat flour, bananas and walnuts

### **All out Banana Choc Chip**

Banana and choc chip loaf with chocolate ganache glaze

### **Lemon and Poppyseed**

Moist and tangy lemon and poppyseed cake with a lemon glaze

### **Salted Caramel**

A caramel cake with salted caramel swirl, topped with a salted caramel frosting, salted caramel drizzle and maldon salt flakes.

## CREATIVE COMBOS

50

Different to your normal carrot cake or apple tarts.

### **Speculaas Apple Crumble Cheesecake**

The best of both worlds, a speculaas base, filled with tangy lemon baked cheesecake, a layer of granny smith apples and topped with an oat crumb.

### **Berry Lemony Layer Cake**

3 light fluffy lemon cake layers, filled with strawberry compote and lemon curd, covered in buttercream icing and decorated with seasonal berries and blooms

## CLASSIC CHOCOLATE BROWNIES

25

Melt in your mouth moist triple chocolate brownies, topped with a chocolate ganache

(vegan/GF possible)
